Written by one of the foremost experts in the area, Paul Davies' Introduction to Company Law provides a comprehensive conceptual introduction, giving readers a clear framework with which to navigate the intricacies of company law. The five core features of company law -

File Type PDF Company Law Book Ebook

separate legal personality, limited liability, centralized management, shareholder control, and transferability of shares - are clearly laid out and examined, then these features are used to provide an organisation structure for the conduct of business. It also discusses legal strategies that can be used to deal with arising problems, the regulation of relationships between the parties, and the trade-offs that have been made in British company law to address some of the conflicting issues that have arisen. Fully revised to take into account the Companies Act 2006, and including a new chapter on international law which considers the role of European Community Law, this new edition in the renowned Clarendon Law Series offers a concise and stimulating introduction to company law.

Understanding Company Law is a lively introduction to the key

File Type PDF Company Law Book Ebook

principles of the Companies Act 2006 and modern company law. It takes a unique approach to the subject, which also encompasses the important and growing fields of securities regulation, corporate governance and corporate social responsibility. This book covers all of the key topics that a student reader will encounter in any company law course. The discussion presents the key principles simply, before guiding the reader through the more complex issues that are often the focus of examinations in this subject. It also offers pathways into further reading, while injecting enjoyment back into the topic. In *Understanding Company Law*, Professor Hudson provides a straightforward guide to the law, while providing context, detailed analyses of the leading cases, and no little humour. The second edition covers key recent changes and developments in company law, both case law and statutory, including: two recent Supreme Court decisions

Unlocking Company Law is the ideal resource for learning and revising Company Law. This 4th edition has been extensively updated, and this, along with its many pedagogical features, makes it the ideal companion for students studying Company Law. Each chapter in the book contains:

- aims and objectives;
- activities such as self-test questions;
- charts of key facts to consolidate your knowledge;
- diagrams to aid memory and understanding;
- prominently displayed cases and judgments;
- chapter summaries;
- essay questions with answer plans.

In addition, the book features a glossary of legal terminology, making the law more accessible.

Dr Talbot traces the history of the fundamental principles of English company law, including the doctrine of separate corporate personality,

File Type PDF Company Law Book Ebook

director ' s duties, minority protection and the doctrine of ultra vires from both a black letter and contextual perspective. Relevant aspects of the Companies Act 2006 are thoroughly examined. Drawing on the influence of American law and scholarship, the book considers the ideas which have informed corporate governance in England . It includes a case study of mutual building societies ' march to the market and corporate identity. The hybrid approach adopted in the text provides a contextual and critical framework in which to understand company law as well as a broad picture in black letter law terms. The aim is to invigorate what many students and academics consider a dry subject by uncovering the social factors which continue to inform this area of law - and the political nature of the law itself. Dr Talbot maintains that modern company law is shaped by three main factors – economics, ideology and existing law. The state of the law at
