No other life has had such an amazing impact upon the human race as did our Savior, Jesus Christ. From His birth in a humble stable until His death upon the cross of Golgotha, He left all of us simple teachings, direct commandments and profound doctrines which have altered the history of the world. He performed astounding miracles that left His disciples and other onlookers stunned and speechless. He condemned the hypocrisy of the religious leaders of the day, who would eventually conspire and arrange His death at the hands of the Romans. The culminating act of His ministry was the priceless gift of His eternal Atonement, which opened the floodgates of the resurrection, ending the final and icy grip of death upon all mankind. One

This pioneering, monumental work utilizes the visionary legacy of Anne Catherine Emmerich and the spiritual scientific discoveries of Rudolf Steiner concerning various hidden facts of Christ's incarnation. Powell has established the dates and daily events of Jesus Christ on Earth. Further, he indicates their significance for our future. In part one, Powell gives a historical overview. Then, using esoteric sources and his own knowledge of sidereal astrology, he offers startling insights into the circumstances of the Christmas event and the incarnation. In part two, Powell offers a daily chronicle of the three-and-a-half-year ministry of Jesus Christ on Earth, dating the events with an unprecedented accuracy. Also, Powell correlates significant events in Christ's life with upcoming dates in the history of humankind and indicates that the living presence of the Christ is increasingly accessible to us.

Tabulation of Dates for the End of the Century

Budda and Jesus Christ, perhaps the two most pivotal figures in the history of humankind, each left behind a legacy of teachings and practices that have shaped the lives of billions of people over the course of two millennia. If they were to meet on the road today, what would each think of the other's spiritual views and practices? Thich Nhat Hanh has been part of a decades-long dialogue between the two greatest living contemplative traditions, and brings to Christianity an appreciation of its beauty that could be conveyed only by an outsider. In a lucid, meditative prose, he explores the crossroads of compassion and holiness at which Buddhism and Christianity meet, and reawakens our understanding of both.

Examines the mission and ministry of Jesus during the one thousand days before the ascension, offering insight into his teachings on such topics as hypocrisy, temptation, happiness, and love.

Who is the real Jesus? How can we experience the mystery, compexity, and richness of his spirituality and teachings in our lives today? In this gently instructive and inspiring guide, Luke Timothy Johnson leads us to a deeper understanding and practice of classic Christian

Excerpt from The Living Christ: Easter Thoughts for the King's Daughters Well Thou in all, O tender Christ and sweet, Who bring their Easter offerings to Thy feet. Let care, and bitterness, and sin find room, To lie in death - in Thy deserted tomb. Bid Thy strong Angels guard the sealed door, That self come forth, to curse Thy world no more. Thy life be life of all earth's precious things, Thy throne the hearts that crown Thee King of Kings. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
