From the Ashes of Angels: The Forbidden Legacy of a Fallen ...

I'm very pleased that I finally sat down and read Andrew Collins' book From the Ashes of Angels. The author is a fine researcher and scholar. The reader needs to be aware, however, that Collins' determined exploration of every facet of his subject occasionally leads him to crawl down some tedious rabbit holes.

From The Ashes Of Angels - The Forbidden Legacy of a Fallen Race. By Andrew Collins; Mythology & Mystery; 0 "And after some days my son, Methuselah, took a wife for his son Lamech, and she became pregnant by him and bore him a son.

Provides convincing evidence that angels, demons, and fallen angels were flesh-and-blood members of a giant race predating humanity, spoken of in the Bible as the Nephilim. • Indicates that the earthly paradise of Eden was a realm in the mountains of Kurdistan. • By the author of Gateway to Atlantis. Our mythology describes how beings of great beauty and intelligence, who served as messengers of gods, fell from grace through pride. These angels, also known as Watchers, are spoken of in the Bible and other religious texts as lusting after human women, who lay with them and gave birth to giant offspring called the Nephilim. These religious sources also record how these beings revealed forbidden arts and sciences to humanity--transgressions that led to their destruction in the Great Flood. Andrew Collins reveals that these angels, demons, and fallen angels were flesh-and-blood members of a race predating our own. He offers evidence that they lived in Egypt (prior to the ancient Egyptians), where they built the Sphinx and other megalithic monuments, before leaving the region for what is now eastern Turkey following the cataclysms that accompanied the last Ice Age. Here they lived in isolation before gradually establishing contact with the developing human societies of the Mesopotamian plains below. Humanity regarded these angels--described as tall, white-haired beings with viperlike faces and burning eyes--as gods and their realm the paradise wherein grew the tree of knowledge. Andrew Collins demonstrates how the legends behind the fall of the Watchers echo the faded memory of actual historical events and that the legacy they have left humanity is one we can afford to ignore only at our own peril.

Like many young women, Zo Flowers found herself in a dangerous relationship in her early twenties. Flowers ended the relationship after a short time, but the experience motivated her to be a catalyst for real change. She started conducting candid interviews with women about their experiences with domestic, dating, and sexual violence. From Ashes to Angels Dust: A Journey Through Womanhood is the book that emerged from those early interviews. From Ashes to Angels Dust: A Journey Through Womanhood is a unique collection of candid interviews, national resources, healing techniques, and Zos poetry. From Ashes to Angels Dust: A Journey Through Womanhood is the story of our mothers, sisters, and grandmothers. Dear Zo, the book was wonderful! I shared it with a couple of my colleagues. I could see myself in several of the scenarios painful to recall. How in the world could any of us get ourselves into such sad and often brutal situations? Reading your book was like being in the midst of a motion picture. You captured so much pain. Thanks so much for touching my life - however briefly. May God protect you as you start your new journey. Stay free and HAPPY! Pauline M. Two weeks ago at our Saturday School in Soweto, we read one of the stories in the book about Lois and Brian. It really struck a familiar cord with our 50 high school students. After reading the short story, it was a great vehicle to talk about abuse. Again, thank you. Your book is helping many young lives here in Soweto, South Africa. Stay blessed Jose B.

Lucifer was the brightest archangel of them all...until he fell in love. Before Earth there was Heaven, a place of immortality and subservience where angels existed to watch the world transform. Until one angel changed everything. Stripped of his essence, flesh replaced light, and the weight of Lucifer's new wings bore down on him like a burden...until he saw her. By his side since the dawn of time, Gabriel was Lucifer's closest companion in brilliant light. But seeing her in the flesh changed him. Lucifer can't look away. And not because she's perfection personified. Beyond Gabriel's cascading hair, porcelain skin, and blushed lips, her silvery eyes are the windows to her very soul and her eternal hope-even for an unworthy angel like him. And Lucifer is unworthy. His thoughts of her alone are a sin. The intimate acts he imagines committing with her could cost him more than his place amongst the archangels. But he can't stop how he feels when she looks at him. When Gabriel's gentle hand lays flat over Lucifer's chest, his heart beats faster...for her. Controlling the forbidden desires that rule Lucifer will be the hardest thing he's ever had to endure, but giving in to them could cost him the one being he can't live without.

As a muse, Cassandra Stevens had been warned of the Fallen angel who'd one day come to impregnate her with a nephilim, an evil offspring. But no one could have foreseen that Samandriel--the raven-haired, silver-winged Fallen one--would sweep her off her feet. Against all good sense, Sam stirred her suppressed desires, yet for her own sake she dared not arouse his carnal ones. For Sam had been summoned to earth by a dark vampire lord. And more Fallen were on their way. Despite the dangers, Cassandra needed Sam by her side, for only together could they prevent the apocalypse that had been unleashed.. Originally published in 2011

In this sequel to Only the River Runs Free, Joseph Connor Burke has reclaimed his ancestral acres, but his dreams of a peaceable kingdom are shattered by violence and betrayal. Will he stand for what he truly believes?

This text is the story of rootlessness, of a London-Irish boy who has two identities and feels at home with neither. John Walsh found the Irishness of his parents' Battersea home stiflingly warm and puzzlingly foreign. Spellbound equally by Mick Jagger and by images of Irish martyrdom, he discovered at the age of 16 an extended family he had never known existed. In the hidden life of Galway was revelation that begged a crucial question: how do we know where our true nature Lies?
