Hooks for Tunisian Crochet Every once in a while, Tunisian crochet can be worked with a regular hook. Most of the time, however, the hook needs to be longer due to the fact that it will need to hold multiple stitches before they are all worked off the hook. These hooks can be wood, bamboo, or metal.

inspiring your hook through the entire book. The Step-By-Step Guide To 200 Crochet Stitches is the must-have stitch dictionary you'll want in your reference library.

Kristin Omdahl's *Crochet So Fine* takes crocheted clothing from fussy to fashionable! By working with thinner yarns and more flexible stitches, crocheters can produce garments that are stylish and comfortable, figure-flattering without being form-fitting and great for layering. And just because the yarn is thin doesn't mean crocheters need to use the smallest of hooks, fine crochet can be quick and easy, too. Crocheters begin by exploring techniques specific to crocheting with fine yarns: gauge, blocking, and garment construction tips to maximize drape. Then they can choose from 20 projects including stunning crocheted pullovers, cardigans, jackets, capes, shawls, scarves, hats, and more. Many of the projects only require one or two skeins of yarn. The designs are interesting to make, using clever stitch motifs, innovative and traditional shaping methods, and a variety of crochet techniques and embellishment ideas. In addition to a variety of stitch patterns, motifs, and techniques, *Crochet So Fine* includes tutorials with detailed illustrations and instruction on Tunisian crochet, broomstick crochet, and hairpin lace. The garments include couture details such as colorwork, beading, lace, ruffles, tiers, and more. All stitch motifs include charts, and the specialized techniques include how-to sections.

Great for new and experienced crocheters alike, *Crochet Stitch Dictionary* offers 200 stitches with detailed written, charted, and photographed instructions. This essential book presents 10 color-coded stitch sections: Basic stitches, Fans & Shells, Bobbles & Clusters, Spike stitches, Post stitches, Mesh & Filet, Cable stitches, Tunisian stitches, and more!
