A comprehensive overview of the theory, research, and skills of communication Revel(TM) Human Communication: The Basic Course provides an in-depth look at the fundamental concepts and principles of human communication. Writing for students with little prior background in the discipline, author Joseph DeVito provides the significant foundation needed for more specialized study of interpersonal, small group, and organizational communication, as well as public speaking. The Fourteenth Edition fully integrates the latest research as well as new examples, exercises, and photos to keep the text current and pedagogically effective. Revel is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, Revel replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, Revel is an interactive learning environment that enables students to read, practice, and study in one continuous experience -- for less than the cost of a traditional textbook. NOTE: Revel is a fully digital delivery of Pearson content. This ISBN is for the standalone Revel access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use Revel.

Human Communication: The Basic Course surveys the broad field of human communication, giving attention to theory, research, and skill development. This Twelfth Edition provides an in-depth look at the concepts and principles of human communication, emphasizing public speaking, interpersonal communication, and small group communication. Designed to allow flexibility in teaching approaches, Human Communication: The Basic Course offers instructors a wide range of topics to discuss and apply to real-world experiences.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. --

Provides a thorough foundation in the theory, research, and skills of communication Human Communication: The Basic Course provides an in-depth look at the concepts and principles of human communication, emphasizing public speaking, interpersonal communication, and small group communication. Designed to allow flexibility in teaching approaches, Human Communication: The Basic Course offers instructors a wide range of topics to discuss and apply to real-world experiences.

A brief text with a strong focus on skill development Essentials of Human Communication shows how human communication skills apply to the real-world and the workplace. The text presents the fundamental skills of interpersonal, small group, and public communication while emphasizing human communication skills, cultural awareness, listening, critical thinking, ethics, and social media communication. MyCommunicationLab is an integral part of the DeVito program. Key learning applications include MediaShare, an eText, and a study plan. A better teaching and learning experience This program will provide a better teaching and learning experience -- for you and your students. Here ' s how: Personalize Learning— MyCommunicationLab is online learning. MyCommunicationLab engages students through personalized learning and helps instructors from course preparation to delivery and assessment. Improve Critical Thinking— Critical thinking principles are integrated into the text and in the marginal questions, self-tests, and boxes. Engage Students—Real-world examples appear throughout the text. Apply Ethics—Real-life ethical issues are discussed. Support Instructors— A full set of supplements, including MyCommunicationLab, provides instructors with all the resources and support they need. Note: MyCommunicationLab does not come automatically packaged with this text. To purchase MyCommunicationLab, please visit: www.mycommunicationlab.com or you can purchase a ValuePack of the text + MyCommunicationLab (at no additional cost): ValuePack ISBN-10: 0205940689 / ValuePack ISBN-13: 9780205940682.

Provides a thorough foundation in the theory, research, and skills of communication Human Communication: The Basic Course provides an in-depth look at the concepts and principles of human communication, emphasizing public speaking, interpersonal communication, and small group communication. Designed to allow flexibility in teaching approaches, Human Communication: The Basic Course offers instructors a wide range of topics to discuss and apply to real-world experiences.

Explore fundamental communication concepts, theories, and skills aimed at helping students apply communication skills to their personal and professional lives—with a thematic integration of the relational perspective and a focus on demonstrating its direct relevance to their own everyday communication.

This theory-based introduction to basic concepts in human communication provides coverage of new and innovative theories as well as the more traditional coverage of an introduction to communication course, giving students an understanding of the discipline and helping them develop strategies for becoming better communicators.
