For undergraduate and graduate courses in International Business, this ninth edition text thoroughly discusses the differences faced in international environments, the overall strategies companies can take, and the functional alternatives for operating abroad. It features maps, strong opening and closing cases, and current examples.

Remarkable change is the new reality of International Business. The accelerating cross-border flow of products, services, capital, ideas, technology and people are driving businesses—large and small—to internationalise. International Business 1st Australasian edition: the New Realities is a rigorous resource which motivates and prepares future managers to operate in multi-national settings, by delivering a teaching system that works. Based on the authors' collective teaching and working experience—as well as discussions with practitioners, students, and faculty staff—this is a complete teaching and learning system where cases, exercises and management skill builders are seamlessly integrated and matched to the topics in each chapter. Case studies from a wide variety of markets relevant to Australasian businesses, including ASEAN countries (e.g. Singapore, Malaysia, Indonesia) as well as China, India, Japan, South Korea, Pakistan, Europe and the Middle East, provide a real-world perspective to theories and examine the latest trends in international business. For undergraduate students majoring in international business or post-graduate courses in international business.

For courses in international business. A study of international business through integrated theory and practice Balancing authoritative theory and meaningful practice, International Business: Environments and Operations engages students on the subject of conducting business in international markets. The authors' descriptions and ideas of international business are enhanced with contemporary examples, scenarios, and cases that help students effectively apply what they've learned. Now in its 17th Edition, International Business remains one of the best-selling and most authoritative international business texts available. As rigorous and practical as ever, this edition remains current through updated author-written cases and expanded coverage of relevant political, economic, social, and institutional changes.

For introductory International Business courses with the need for a brief, accessible text. International Business 4/e places culture and globalization front and center to motivate and enable students to grasp difficult conceptual material. This approach has made it the fastest growing international business book available today.

For courses in International Business. This Global Edition has been edited to include enhancements making it more relevant to students outside the United States An innovative teaching and learning system that captures the spirit of International Business. Based on the authors' collective teaching and working experience—as well as discussions with hundreds of practitioners, students, and faculty—International Business: The New Realities is a complete teaching and learning system that seamlessly integrates cases, exercises, and videos.

This volume addresses the strategic, structural and functional implications of international business in firms around the world. This is exhibited through a critical, integrated flow from chapter to chapter

Whether it's bungee jumping in Queenstown or visiting the Guinness factory in Dublin, where we travel – and what we do when we get there - has changed significantly in the past twenty years. This innovative textbook explores what is possibly the most unrecognized of international service industries, placing tourism in the context of contemporary globalization and trade-in services. It provides new perspectives on tourism as a form of international business, and the implications for firms, the state and individuals. Split into four separate sections, with introductions outlining the key themes in each, it examines important topics such as: the role of governance and regulation in tourism services the effects of increased global mobility on tourism entrepreneurship how tourism businesses are becoming internationalized why other business sectors are increasingly interested in tourism. Case studies are used throughout to highlight important issues, from developments in the aviation industry to the rise of working holidays. This book gets to the core of a crucial service industry, and is essential reading for any researcher or student of tourism or international business.

This comprehensive overview of international business is divided into various business functions, making it clear and easy to understand. In every chapter "Culture Quest Insights" into culture, geography, and business lead readers to a multi-media experience of a certain country or region that provides useful information on the impact of culture on business. Cases specific to each region or country add to the total reading experience.Topics covered include: the world's marketplaces, the international environment, managing international business and business operations.For CEOs, managers, and other executives who need to understand the cultural mores of the global societies with which they do business.

Taking neither an economic approach nor a purely managerial approach to its subject matter, this work offers students an integrated resource on the subject of international business. Its main theme is the process of globalization which the authors address in great detail.
