You are no accident. Your presence on this earth is not a mistake. Neither is it insignificant. On the contrary, you are wanted here—and needed! You are a creation of God with a unique purpose. Many people “do” things to try to gain acceptance by others, so that they can “be” someone. They become slaves to public opinion and never really know who they were meant to be. When we know that we are God’s beloved children, chosen from the foundation of the world, and discover who He designed us to be, we will think and act from that perspective. Everything else will develop from our identity and existence in Him. That identity goes beyond even our personal purpose to God’s eternal plans for the world and our exciting role in them. God created all human beings to have dominion over the earth. And He has assigned each of us a portion of “territory” where we can exercise the measure of our dominion on earth. This dominion is based on the faith, anointing, and gifts He has given us. Our words and actions are most effective when we are in the territory God has assigned to us and are seeking first His kingdom. This “territorial” power is not merely symbolic. It is a reality in which we must live. The territory in which we are to be fruitful is not random or general but specific. In Created for Purpose, you will discover God’s plan for your life as a loved and valuable member of His creation, what it means to be called by God, and how to know and live in your purpose throughout your life. You are not an accident. You are present on this earth for a significant reason. Find out who you were meant to be!

Judah Smith, New York Times bestselling author of *Jesus Is _____*, explores what it looks like to cultivate a healthy soul in the midst of a busy life and points readers to the soul’s only true home and place of rest and fulfillment: God. “How’s your soul?” It may seem like an odd question, but it’s what pastor and bestselling author Judah Smith chooses to ask his friends, rather than “How are you?” It’s a way to look past the externals and consider what’s going on inside, in that essential part of us that is often overlooked in the struggle to make our way through everyday life. In the rush of living moment to moment, many of us find ourselves simply surviving, struggling daily with frustration, restlessness, boredom, and ever-fleeting joy. But if we would pause, we’d find that the things that matter most in life, what we are searching for in our busyness—stability, peace, hope, love—are rooted in the health of what Judah calls the “inside you.” In *How’s Your Soul?*, Judah explores that “inside you.” Sharing his own, often humorous, mistakes and foibles, he helps us find our way through the emotional roller coasters of life to discover the soul-healing essentials of rest, responsibility, restraint, and relationships, all rooted in what he calls the soul’s only true home—God himself. *How’s Your Soul?* is an invitation to find lasting emotional satisfaction and stability by bringing our feelings into alignment with God’s truth, moving beyond simply surviving, and learning how to live each day with eternal significance.

Experience Heaven on Earth in a Tangible Way The kingdom of God is... A supernatural kingdom A kingdom of power, not just words. A kingdom whose reality can be experienced here and now. Jesus said, “The kingdom of God is within you” (Luke 17:21). God’s kingdom is His will exercised on earth as it is in heaven. It expands its influence in this world through the supernatural work of the Holy Spirit in the lives of believers—like you and me. When Jesus returned to heaven, He activated the church to continue expanding His kingdom in each succeeding generation of believers. We are the vessels through which God extends His kingdom to our communities and nations! Wherever God’s kingdom rules on earth, it is visibly demonstrated. Jesus manifested the power of the kingdom with tangible miracles, signs, healings, and deliverances. Each time He announced the good news of the kingdom, sin, sickness, demons, poverty, and death could not remain. The kingdom is a reality today—not just in the future—and it may be applied to each circumstance we encounter in life. The kingdom has everything we need: righteousness, healing, wholeness, prosperity, and joy. In *The Kingdom of Power: How to Demonstrate It Here and Now*, you will discover how to enter God’s kingdom, receive its benefits, and expand its dominion throughout the earth. The kingdom of God is within you. The only thing you need to do is to demonstrate it here and now!
