Famed for futuristic cities, ancient traditions, drool worthy food and outstanding natural beauty, Japan is a country that will bring all your senses to life and send you home wanting more. Over 13 days visit Tokyo, Nagano, Hakone, Osaka, Koyasan and Kyoto, where you'll learn to roll sushi, wield a sword like a Samurai, fall in love with enchanted castles and spend the night in the company of monks in a 1000 year old Buddhist temple.

Japan Adventure, Small Group Tour Japan - Intro Travel

My Awesome Japan Adventure is lush with specific, intriguing details about the Japanese culture and the lives of Japanese children and families. It's the voice, though, that will win kids over. Otowa smartly chose to write about Japanese culture, using the point of view of Dan, who, at the end of the book, vows to come back to Japan."

As a multicultural children's book, My Awesome Japan Adventure is perfect for kids who want to explore another culture and have fun in the process!

"This portrait of Japanese country life reminds us that at its core, a happy and healthy life is based on the bonds of food, family, tradition, community, and the richness of nature" —John Einarsen, Founding Editor and Art Director of Kyoto Journal What would it be like to move to Japan, leaving everyone you know behind, to become part of a traditional Japanese household? At Home in Japan tells an extraordinary true story of a foreign woman who goes through an amazing transformation, as she makes a move from a suburban lifestyle in California to a new life, living in Japan. She dedicates 30 years of her life as a housewife, custodian and chatelaine of a 350-year-old farmhouse in rural Japan. This astonishing book traces a circular path from where Rebecca began, to living under Japanese customs, from the basic day to day details of life in the house and village, through relationships with family, neighbors and the natural and supernatural entities with which the family shares the house. Rebecca Otowa then focuses on her inner life, touching on some of the pivotal memories of her time in Japan, the lessons in perception that Japan has taught her and the ways in which she has been changed by living in Japan. An insightful and compelling read, At Home in Japan is a beautifully written and illustrated reminiscence of a once simple life made extraordinary.

"Otowa has woven a series of delightful vignettes of life in Japan, from a true historical story of feuding villages to a man who steals shoes at temples—and some highlighting the cultural differences between Japanese and American sensibilities, especially for women." —Ginny Tapley-Takemori, translator of Convenience Store Woman From the unique standpoint of an American woman who married into a Japanese family and has lived in Japan for more than thirty years, Rebecca Otowa weaves enchanting tales of her adopted home that portray the perspective of both the Japanese and the foreigner on the universal issues that face us all—love, work, marriage, death, and family conflict. The collection includes: A Year of Coffee and Cake—A young American wife in the Tokyo suburbs suspects her next-door neighbor of murdering an elderly relative. Rhododendron Valley—An elderly man decides to commit suicide to deal with his terminal illness and to spare his family pain. The Mad Kyoto Shoe Swapper—A reclusive young Japanese man enjoys the strange hobby of stealing shoes from temples, but it gradually consumes him. Genbei's Curse—A downtrodden woman loses her temper with her demanding, sick father-in-law. Years later, old and sick herself, she can now empathize with him. Trial by Fire—A true story passed down through the author's family of a gruesome trial to settle a land dispute in 1619. Love and Duty—The Japanese custom of "duty chocolates" (chocolates gifted by women to men on Valentine's Day) has repercussions for an American and a Japanese woman. Uncle Trash—Told in the form of newspaper articles, this is the story of an old man, his hoarding addiction, the annoyance it brings his family, and his eventual revenge. Watch Again—A man starts stalking his ex-wife and learns something about himself in the process. Three Village Stories—A tea ceremony teacher, a vengeful son, and an old man ostracized by his community are the protagonists in three vignettes of village life. The Rescuer—After meeting his death in a train accident, a young man finds himself in the position of rescuing others from the same fate. Showa Girl—Based on a true story from the author's family, a girl of fifteen has an arranged marriage with an older man just back from a POW camp in Russia in 1948. Rachel and Leah—An older American woman reflects on her long and not always happy marriage to a Japanese man. The Turtle Stone—Going from the 1950s to the present, this is the story of one man's efforts to keep the family cake shop alive in a Kyoto that is constantly modernizing. Illustrated throughout with the author's own black-and-white drawings, this captivating volume offers a unique and lovingly rendered insight into everyday life in modern Japan.

****2012 Creative Child Magazine Preferred Choice Award Winner!**** A cultural adventure for kids, All About Japan offers a journey to a new place—and ways to bring it to life! Dive into stories, play some games from Japan, learn some Japanese songs. Two friends, a boy from the country and a girl from the city, take us on a tour of their beloved land through their eyes. They introduce us to their homes, families, favorite places, school life, holidays and more! Celebrate the cherry blossom festival Learn traditional Japanese songs and poems Make easy recipes like mochi (New Year's sweet rice cakes) and okonomiyaki (Japanese pizza or pancakes) Create origami frogs, samurai helmets and more! Beyond the fun and fascinating facts, you'll also learn about the spirit that makes Japan one-of-a-kind. This is a multicultural children's book for families to treasure together.

At the age of five, Takeshi joins the other youngsters in a samurai's castle to train as a noble fighter. Join him in action as he fires arrows while riding on horseback and defeats three foes in bare-handed combat. Take on the samurai's "way of the warrior" lifestyle and it will make you strong—but always remember that honor can be more important than life.

In many ways, the culture and traditions of Japan are very different from our own. Just by looking at the detailed photographs in this book, readers will see that the Japanese have unique and beautiful architecture, clothing, festivals, and more. The same can be said for Japanese crafts. Readers will likely be familiar with origami, but this book also contains step-by-step instructions for making nengaj? (New Year's) cards and a Samurai hat. Readers are sure to love learning about Japan and its many wonderful customs and traditions from this curriculum-based, high-interest text.

Join Toy, a young boy from Thailand, as he takes you on an exciting cultural tour of his country. From riding in tuk-tuks to eating fried bugs for snacks, it's a journey you won't forget. Ages 4 - 12.
