An invitation to young readers to roll up their sleeves, get inspired, and take action to build a sustainable, just, and loving world. Peace, Love, Action! is an illustrated, illuminated A-Z of everyday actions that directly make a peaceful, fun, and vibrant world. With original artworks bringing each action to life, "make friends," "go local," "cooperate," "forgive" --seemingly small deeds can really add up! Illustrated by Tanya Zabinski in her characteristic earthy style, each action comes with an inspirational mini-bio of a real hero who exemplifies that action, from Thich Nhat Hanh ("breathe") to Wangari Maathai ("plant"), and follows with a set of "What You Can Do" prompts. With a foreword by singer-songwriter and activist legend, Ani DiFranco.

Long before Europeans came to the harsh landscape of the Great Basin, many nations of American Indians lived in the region. They had their own languages and cultures, and they knew how to survive in an area with extreme weather and little food. • The Shoshone made powerful bows that could shoot an arrow through a bison. • The Paiute created duck decoys from reeds to help them hunt birds. • The Washoe weaved baskets from reeds and willow. The Great Basin is still home to many twenty-first century American Indians. They continue to weave baskets, hold traditional celebrations, and speak their native languages. Learn more about the past and present of the native peoples of the Great Basin.

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

Chase's Calendar of Events is the most comprehensive and authoritative reference available on special events, holidays, federal and state observances, historic anniversaries, astronomical phenomena, and more. Published since 1957, Chase's is the only guide to special days, weeks, and months.

“ Powerful. . . . a revelation. ” —The New York Times “ With a literary authority rare in a debut novel, it places Native American voices front and center before readers ’ eyes. ” —NPR/Fresh Air One of The New York Times 10 Best Books of the Year and winner of the PEN/Hemingway Award, Tommy Orange ’ s wondrous and shattering bestselling novel follows twelve characters from Native

communities: all traveling to the Big Oakland Powwow, all connected to one another in ways they may not yet realize. Among them is Jacquie Red Feather, newly sober and trying to make it back to the family she left behind. Dene Oxendene, pulling his life together after his uncle ' s death and working at the powwow to honor his memory. Fourteen-year-old Orvil, coming to perform traditional dance for the very first time. Together, this chorus of voices tells of the plight of the urban Native American—grappling with a complex and painful history, with an inheritance of beauty and spirituality, with communion and sacrifice and heroism. Hailed as an instant classic, *There There* is at once poignant and unflinching, utterly contemporary and truly unforgettable. One of the Best Books of the Year: *The Washington Post*, *NPR*, *Time*, *O, The Oprah Magazine*, *The Dallas Morning News*, *GQ*, *Entertainment Weekly*, *BuzzFeed*, *San Francisco Chronicle*, *The Boston Globe*

World Faiths is a brief introduction to the major world religions. The book provides detailed coverage of the historical development of different religious traditions, and, for each religion, presents issues of faith from the perspective of the believer.

American Indian customs, stories, and history come to life in this important and authoritative reference, artfully designed and packaged for kids and students. More than 160 tribes are featured in this outstanding new encyclopedia, which presents a comprehensive overview of the history of North America's Native peoples. From the Apache to the Zuni, readers will learn about each tribe's history, traditions, and culture, including the impact of European expansion across the land and how tribes live today. Features include maps of ancestral lands; timelines of important dates and events; fact boxes for each tribe; bios of influential American Indians such as Sitting Bull; sidebars on daily life, homes, food, clothing, jewelry, and games; Did You Know facts with photographs; and traditional Native stories. The design is compelling and colorful, packed with full-color photographs. To help give kids the lay of the land, this reference is arranged by region, and all federally recognized tribes are included. Tribal members representing each region and experts at the National Museum of the American Indian at the Smithsonian Institution were involved in its creation. With nothing comparable available, it is sure to be a valuable resource for kids, students, librarians, and families.

This volume clearly distinguishes Indigenous environmental justice (IEJ) from the broader idea of environmental justice (EJ) while offering detailed examples from recent history of environmental injustices that have occurred in Indian Country. With connections to traditional homelands being at the heart of Native identity, environmental justice is of heightened importance to Indigenous communities. Not only do irresponsible and exploitative environmental policies harm the physical and financial health of Indigenous communities, they also cause spiritual harm by destroying land held in a place of exceptional reverence for Indigenous peoples. With focused essays on important topics such as the uranium mining on Navajo and Hopi lands, the Dakota Access Pipeline dispute on the Standing Rock Indian Reservation, environmental cleanup efforts in Alaska, and many other pertinent examples, this volume offers a timely view of the environmental devastation that occurs in Indian Country. It also serves to emphasize the importance of self-determination and sovereignty in victories of Indigenous environmental justice. The book explores the ongoing effects of colonization and emphasizes Native American tribes as governments rather than ethnic minorities. Combining elements of legal issues, human rights issues, and sovereignty issues, *Indigenous Environmental Justice* creates a clear example of community resilience in the face of corporate greed and state indifference.
