One of the clearest presentations of India's Advaita Vedanta, the doctrine of Oneness. Adams, an American student of the great master, Ramana Maharshi, discourses with wisdom and delightful humor as he clarifies for Westerners India's teaching of Ultimate Reality.

A powerful sequel to Love Without Conditions. John Bradshaw says: "with deep insight and sparkling clarity, this book demonstrates that the roots of all abuse are to be found in our own self-betrayal. Paul Ferrini leads us skilfully and courageously beyond shame, blame, and attachment to our wounds into the depths of self-forgiveness... a must read for all people who are ready to take responsibility for their own healing".

Cricket has an alarming suicide rate. Among international players for England and several other countries it is far above the national average for all sports: and there have been numerous instances at other levels of the game. For thirty years, celebrated cricket author David Frith has collected data on this sad subject. Silence of the Heart is his compelling account of over a hundred cricketers - involving top names from the past hundred years - who have taken their own lives, with an explanation of factors that led to their premature deaths. Can the shocking rate of self-destruction among cricketers be reduced? Can those who run the game do something to save its participants from this dreadful fate? These are among the questions addressed within this catalogue of biographies. But the key question is whether cricket itself is to blame for its losses - or is that this summer game attracts people of a melancholic and over-sensitive nature? Stoddart, Shrewsbury, Gimblett, Bairstow, Trott, Iverson, Robertson-Glasgow, Barnes . . . There remains a sense of disbelief that these high-profile cricketers killed themselves. And many more cases are examined in this extraordinary book, which comes crammed with detail, is not devoid of humour, and must rank among the most intricately researched volumes in cricket's extensive library. With a foreword by former England captain Mike Brearley, now a psychotherapist, Silence of the Heart is a startling investigative narrative covering the phenomenon of cricket's unduly high level of suicide.

Book 4 in the Silver Town Wolf Series Life For the Silver Pack Just Got Wilder... Elizabeth Wildwood has been a loner all her life, ostracized because of her "mixed" half-wolf, half-coyote blood. When she ventures into gray wolf territory on a dangerous quest of her own and his thrown together with the sexiest shifter she's ever met she begins to wish for the first time that she could be part of a family. When this unusual shifter female comes into his pack's territory, it's Tom Silver's job to protect her—if only she would let him. Silver Town Wolf Series: Destiny of the Wolf (Book 1) Wolf Fever (Book 2) Dreaming of the Wolf (Book 3) Silence of the Wolf (Book 4) A Silver Wolf Christmas (Book 5) Turn up the heat with Terry Spear's paranormal romance: "Dark, sultry, and primal...The chemistry is blazing hot and will leave readers

breathless."—Fresh Fiction on Savage Hunger "A sizzling page turner. Terry Spear is wickedly talented."—Night Owl Reviews Top Pick, 5 Stars on Savage Hunger "Intense and swoon-inducing...The chemistry is steamy and hot."—USA Today Happy Ever After on Dreaming of the Wolf

The incredible book from Jesus calling us to awaken to our own Christhood. Rarely has any book conveyed the teachings of the master in such a simple but profound manner. This book will help you to bring your understanding from the head to the heart so that you can model the teachings of love and forgiveness in your daily life.

The subtitle of Maggie Ross's new book captures its essence, for it is about silence and our need to behold God. Beholding is a notion that we are in danger of losing. It is often lost in translation, even by the NRSV and the Jerusalem Bible. Beholding needs to be recovered both in theology and practice. Ross is very aware of "poor talkative Christianity." There is a twofold plea to enter into silence--for lack of silence erodes our humanity--and to behold the radiance of God. This is a book full of deep questioning and the testing of our assumptions. Throughout there is a great love for the world and for our humanity, accompanied by sadness that we are so easily distracted We are invited into a silence that is not necessarily an absence of noise, but is a limitless interior space. Ancient texts are used in new and exciting ways, and many of our worship practices are challenged. She is in no doubt that "the glory of the human being is the beholding of God." --adapted from a review in The Church Times (London) by Canon David Adam.

Thunderous Silence throws light on the Heart Sutra--a pithy encapsulation of the essence of Perfection of Wisdom literature--using stop-by-step analysis and an easy, conversational voice. Dosung Yoo examines the sutra phrase by phrase, using rich explanations and metaphors drawn from Korean folklore, quantum physics, Charles Dickens, and everything in between to clarify subtle concepts for the reader. This book invites us to examine the fundamentals of Buddhism--the Four Noble Truths, emptiness, enlightenment--through the prism of the Heart Sutra. Both those new to Buddhism and longtime practitioners looking to revisit a core text from a fresh perspective will find this work appealing.
