The Tycoon's Mistress A motive for marriage? Cressy was astonished when Draco Viannis proposed. From the moment she'd met the gorgeous Greek, Cressy couldn't get him out of her mind. The passion between them was mind-blowing – but had it just been a holiday affair?

'Escape to Greek Affairs' is the second book in the 'Escape to' collection and contains stories by best-selling modern romance authors.

When fragile Emelia awoke from her coma she had no recollection of the strikingly handsome man before her, whose eyes glittered like fine-cut gems—hard and impenetrable. But he aroused something within her... Javier Mélenz had wed Emelia for convenience and bedded her for pleasure. The rules in place during their marriage had suited him perfectly, and he'd ensured his trophy wife adhered to them... But as Emelia's memory slowly returned, she seemed to be laboring under a misapprehension...that their marriage was based on love!

The superb historian and biographer Antonia Fraser, author of *Marie Antoinette*, casts new light on the splendor and the scandals of the reign of Louis XIV in this dramatic, illuminating look at the women in his life. The self-proclaimed Sun King, Louis XIV ruled over the most glorious and extravagant court in seventeenth-century Europe. Now, Antonia Fraser goes behind the well-known tales of Louis's accomplishments and follies, exploring in riveting detail his intimate relationships with women. The king's mother, Anne of Austria, had been in a childless marriage for twenty-two years before she gave birth to Louis XIV. A devout Catholic, she instilled in her son a strong sense of piety and fought successfully for his right to absolute power. In 1660, Louis married his first cousin, Marie-Thérèse, in a political arrangement. While unfailingly kind to the official Queen of Versailles, Louis sought others to satisfy his romantic and sexual desires. After a flirtation with his sister-in-law, his first important mistress was Louise de La Vallière, who bore him several children before being replaced by the tempestuous and brilliant Athénaïs, marquise de Montespan. Later, when Athénaïs's reputation was tarnished, the King continued to support her publicly as Athénaïs left court for a life of repentance. Meanwhile her children's governess, the intelligent and seemingly puritanical Françoise de Maintenon, had already won the King's affections; in a

## Acces PDF Smokescreen Marriage

relationship in complete contrast to his physical obsession with Athénaïs, Louis XIV lived happily with Madame de Maintenon for the rest of his life, very probably marrying her in secret. When his grandson's child bride, the enchanting Adelaide of Savoy, came to Versailles she lightened the King's last years – until tragedy struck. With consummate skill, Antonia Fraser weaves insights into the nature of women's religious lives – as well as such practical matters as contraception – into her magnificent, sweeping portrait of the king, his court, and his ladies.

In studying performances of marriage in modern and contemporary British and American drama, Clum highlights the fact that - paradoxically - at a time when theatre was both popular entertainment and high culture, many of the most commercially and artistically successful plays about marriage were written by homosexual men. Beginning with Oscar Wilde and focusing on some of the most successful British and American playwrights of the past century, including Somerset Maugham, Noël Coward, Terence Rattigan, and Emlyn Williams in England and Clyde Fitch, George Kelly, Tennessee Williams, William Inge, and Edward Albee in the US, *The Drama of Marriage* looks at how the plays they wrote about heterosexual marriage continue to impact contemporary gay playwrights and the depiction of

marriage today.

Joanna had been an inexperienced 18-year-old when she'd married Gabriel Verne. She'd loved her new husband but had been devastated to discover that he'd simply married her out of duty. When the honeymoon was over, so was their marriage.... But then Gabriel returned home to claim his inheritance—and his wife! By the terms of his late father's will, he and Joanna must live together as man and wife for a year. Joanna was determined to resist, but Gabriel wanted her back—whatever it took!

A Simple Choice? To ensure the succession of the Helford family line, it's imperative that David Melville, Viscount Helford should marry—and soon! He's determined to choose a wife of nobility and decorum as a matter of convenience—until his resolve is shaken to the core by the independent and fiery Miss Marsden. Sophie's plain beauty, forthrightness and virtually penniless state are nothing Viscount Helford desires in a wife. But she stirs a passion in him he cannot resist. The solution seems easy, but to take her as his mistress would tarnish her good name—something he knows she can't
