I very much hope that this site will serve to
generate a vigorous debate about issues
concerning the history, culture, and politics
of cigarette use in the United States and
around the globe. I wrote The Cigarette
Century to trace the remarkable rise and
dramatic decline of cigarette consumption in
the United States. Once a popular and

attention to struggles over tobacco smoking since the landmark 1964 Surgeon General's Report. Just over a fifth concerns the years before 1945.

~~Allan M. Brandt. The Cigarette Century: The Rise, Fall ...~~

riality. The cigarette fundamentally demonstrates the historical interplay of culture, biology, and disease. As we now know, the rise of the cigarette was sustained not only by convention and personal psychology, but by the powerfully addictive properties of the nicotine in tobacco. The Camel Man was the ultimate chain-smoker.
