Looks a lot like American theatre - the resemblance is uncanny! As these women pursue their dream of performing Chekhov in Texas, they're whisked through a maelstrom of "good ideas" that offer unique solutions to the Three Sisters' need to have life's deeper purpose revealed. In the tradition of great backstage comedies, Anton in Show Business conveys the joys, pains, and absurdities of "putting on a play" at the turn of the century. -- Publisher's website.

musty manuscripts and I came across this. It is very interesting -- partially since it is a bit of hitherto unrecorded history, but principally from the fact that it records the story of a most remarkable revenge and the adventurous life of its innocent victim -- Richard, the lost prince of England. In the retelling of it I have left out most of the history. What interested me was the unique character about whom the tale revolves -- the visored horseman who -- but let us wait until we get to him. It all happened in the thirteenth century, and while it was happening it

"This satire of Catholic school life in the 1960's uses four actresses to play the nuns and the first-through-eighth grade girls at St. George's School in Yonkers. As they experience bonds of friendship, reprimands from authority figures and pressures from home and they react to the Beatles, the Addams Family, the Supremes and the election of a Catholic president, an amusing portrait of girls maturing to the threshold of
